

PLACES TO ENROLL.

A LIST WHICH REPUBLICANS MUST READ CAREFULLY.

FROM 7 TO 10 O'CLOCK DESIGNATED AS THE HOURS FOR REGISTRATION OF NAMES—SOME OF THE ADDRESSES HARD TO FIND.

There is to be a general enrollment of Republicans in this city this evening, and all Republicans of the city who have the best interests of the party at heart should try to be at the place of enrollment and make sure that their names are on the rolls in the right election districts. The constitution of the party organization calls for a revision of the enrollment each year; but this fall there have been so many changes in both Assembly districts and election districts that it has been necessary to provide a new set of books for nearly all of the election districts.

According to the directions which recently issued to a sub-committee of three in each Assembly district by Edward Lauterbach, the chairman of the Republican County Committee, the sub-committees are supposed to have caused transfers of names of Republicans to the books of election districts in which the Republicans lived and voted at the last election. It is not supposed that a Republican who was enrolled in the books of his election district before the change of districts occurred will have to be enrolled again to-night; but as it has been impossible to learn what changes in the enrollment books have been made by Mr. Lauterbach's orders, the only safe way for each Republican who wants to vote at the coming primaries is to go and see for himself that his name is on the books.

PLAN OF THE PARTY ORGANIZATION.

The plan of the party organization is to have the enrollment each year by election districts, and there should be three enrolling officers at a designated place in each of the 1,392 election districts to receive the signatures of Republicans living in the district. The time for the enrollment this evening is between the hours of 7 and 10 o'clock, a time which will be too limited and inconvenient for many Republicans who may want to be enrolled. It has not been found possible to have enrolling places in all of the election districts, either. In many cases the places of enrollment will be found to be outside the limits of the districts. In one Assembly District, which contains forty election districts, the place of enrollment for twenty-eight of the election districts is a clubhouse which is the Republican headquarters for the Assembly District. There are some election districts in which there are either no Republicans or so few of them that they could not form an election district association.

IN PREPARATION FOR THE PRIMARIES.

The enrollment this evening is in preparation for the Republican primaries which are to be held on the evening of December 10. At those primaries will be elected in each election district a chairman, a vice-chairman, a secretary, a treasurer and a delegate or delegates to an Assembly District convention a week later. The Platt-Lauterbach men have planned to control the primaries in order to retain control of the Republican County Committee, and one step in that direction has been to delay the selection of places for the enrollment to-night until after the last hour, in order that many anti-machine Republicans will not know where they can be enrolled.

In many cases the places selected for the enrollment of Republicans to-night are private rooms which have been offered for the temporary use of the enrolling officers. One such room is apartment found on the top floor of a six-story apartment house, and the Republicans who climb the stairs to be enrolled to-night will surely deserve credit for their devotion to the interests of their party. Lists of the places selected for the enrollment were being sent to the Republican headquarters in West Thirty-eighth-st. yesterday and last evening, but they were not complete for all of the districts at a late hour last night. So far as they could be obtained by The Tribune, they are appended:
